Dear Tecky:

NCEES has received your registration for the upcoming exam administration. Check your registration summary below for accuracy. You can update your contact information via your My NCEES account-be sure to do this if your contact information below is incorrect or if it changes.

Exam Authorization notice

NCEES will e-mail you 2 to 3 weeks before the exam to notify you that your Exam Authorization is available from your My NCEES account. Your Exam Authorization will include the exam location, start time, and seat assignment. You will need a copy of this document to be admitted to the exam room. Please be sure to review your Exam Authorization well before exam day, and contact NCEES immediately if you have any difficulties opening or printing your authorization.

Credit card charges

Note that regardless of where you have registered to take the exam, your credit card will reflect charges originating in Clemson, South Carolina, from NCEES or ncees.org. (The description may also indicate that NCEES is a not-for-profit institution.) Fees paid to NCEES during registration will be applied to this exam administration only and cannot be transferred to a future exam administration.

Licensing board approval

Remember that it is your responsibility to ensure that you have met the approval requirements of the licensing board where you plan to take the exam. Contact your board using the contact information on [http://www.ncees.org/Licensing\\_boards.php](http://www.ncees.org/Licensing_boards.php) if you have questions about your board's approval process.
